

# The National Voting Rights Museum & Institute

Invites SNCC Conference participants to  
Selma, Alabama for the  
Bridge Crossing Jubilee, which is  
the annual commemoration of Bloody Sunday  
and the Selma to Montgomery March  
The theme of the Jubilee is  
“Celebrating and Renewing the Spirit of SNCC  
Through our Youth.”  
March 4-5, 2011

We are collecting living histories and would like  
to video your story for our digital archives  
which will be launched on [www.nvrm.org](http://www.nvrm.org)  
also in 2011

The Museum owns the old SNCC office in  
Selma and we want to do something there.
