invite you to come celebrate the publication of

***READY FOR REVOLUTION:***  
**The Life and Struggles of Stokely Carmichael (KwameTure)**  
by Stokely Carmichael (KwameTure)  
with Ekwueme Michael Thelwell

***Sunday, December 7, 2004***

***4 – 7 PM***

***6459 Irwin Court***  
***Oakland, CA***

We have the honor of welcoming Michael Thelwell at a special celebration of the publication of the autobiography of the unforgettable freedom movement leader who headed the Student Nonviolent Coordinating Committee (SNCC) in the 1960's. *READY FOR REVOLUTION*, which many of us remember as Stokely's greeting when answering the telephone, is being published on the fifth anniversary of his death in 1998 in Guinea. After SNCC, he worked with the Black Panther Party and then joined the All African People's Revolutionary Party as Kwame Ture. He taped the whole story of his political and human development with Thelwell, who then made it into this riveting, beautifully written book full of Stokely's voice and wit. Mike is now professor of Afro-American Studies at the Univ. of Massachusetts, Amherst.

*Come and meet Mike Thelwell, also of SNCC, and get your copy of the book at the special discount price of \$25 (hardcover).*
