FDP ORIENTATION for summer volunteers will be June 10-15 at Waveland.

NATIONAL LAWYERS' GUILD will from now on handle only aggressive suits to end segregation. Therefore, they will take no arrest cases.

LCDC and INC. FUND have time and resources only to handle cases involving COFO and active FDP people. If local lawyers are unwilling to take sticky cases for other people, they can pay a Jackson lawyer as they would any lawyer. Call or write R. Jess Brown, Carsie Hall, Jack Young, or Eddie Tucker at 115½ North Farish Street, Jackson; or Leonard Rosenthal, 518 East Capitol Street, Jackson.

MISSISSIPPI FREEDOM LABOR UNION requests that names and addresses of people who would like information about the union be sent to MFLU, Box 547, Shaw, Miss. Union members will mail out what they have written about their own organization and they request that no one write articles about the union except members. Rob Weil of Shaw COFO says that "the struggle now is to get a small group of people to be self-sufficient." This is being increasingly realized in their meetings, planting of community gardens for strikers' food, mailing of over 125 letters to friends and relatives in the north asking for aid, etc.

THIRTY PEOPLE WERE ARRESTED IN NATCHEZ Saturday, May 29, for unlawful assembly as they walked toward "white" Duncan Park. Bond set at \$500.

ATLANTA SNCC (Barbara Brandt) would like a list of local groups significantly working for civil rights, besides FDP and MFLU. Please send to Barbara at 8½ Raymond Street, NW, Atlanta Georgia, 30314, a list of voters' leagues, farm groups, etc. in your area.

Do you have IDEAS and PROPOSALS to share with other workers in the state? We'll print them in future COFO NEWSnotes.
