papper's appeal has been filed to get Guyot appeal his case but he is still
in jail---money is now coming in to the Hattiesburg office to bond him ~~out~~ out;
Guyot is not sick (previously thought he was)--

problem: Carsie Hall ~~kkkk~~ seems reluctant to take on G uyot's appeal--

Sat. they took down bonds to courthouse-- they were told that ~~kk~~ they had to
be filed with Lynd and he was out of town.

Monday they went down again and they were told that they needed a \$1000 and
a \$500 bond. They had previously believed that one \$1500 was sufficient.
Now they must get someone (a Mississippi lawyer) to take the two bonds down
to Lynd in the courthouse --

The use of ~~kkk~~ property bonds has not been ruled out.

Mrs. Woods, owner of building where SNOC has office , recieved notice today
that the insurance had been ~~kkkkkk~~ canceled at a building she owns down the
street (51 5 and 515 1/2 Mobile St.). This is the building she had put up
for Bob Moses property bond. They gave no reason for the cancelation.
It is the ~~kkk~~ North American I surance Company. She has spoken with someone
in the Justice Dept. and one of the men from the Presb. Church. He said that
most of the Presb. Churches deal with No. American, and they will withdraw
their policies if this kind of intimidation is not stopped.

Pete Stoner, who is still in jail at county farm, is appealing his case. His
appeal has been filed, but they are trying to get Guyot out first (as far as
bond money goes).
