Dear \_\_\_\_\_,

*Peggy*  
I had hopes of writing before now but time just hasn't permitted me to do so.

I really hate to write you in the form of an appeal but because of the situation her, I really don't have a choice.

Please do what you can in the way of contacting as many people as possible as soon as you can and any response that you get will be greatly appreciated.

Respectfully yours,

*Herbert V. Coulton*
