McComb's Civil Rights Driving Tour

Students, Civil Rights veterans, the community and guests will walk, sing, pray, and remember as they follow the route walked by 119 students, who bravely left their school on October 4, 1961, to protest the denial of one student's constitutional right to attend a public school.

Join us in

Commemorating our past, Celebrating our Present, and Inspiring our Future

on October 8, 2011 from 8:00 a.m. to 7:00 p.m.

at Higgins Middle School

(formerly Burglund High School)
