Dear Mississippi Summer Project Veterans,

Harlem based production company Firelight Films is producing a documentary about the Mississippi Summer Project of 1964 for PBS' **American** Experience. The film, directed by Emmy award-winning Stanley Nelson ("Freedom Riders" and "The Murder of Emmett Till"), will air on public broadcasting in 2014.

Your experiences during that summer are unique and we hope to capture that in the film. One way of accomplishing this is by including the letters you wrote home, the diaries you kept and the photos and films you took in the documentary.

Please contact us if you are interested in discussing your Summer Project memorabilia. Please call Stacey at [646-524-6010 Ext. 0](tel:646-524-6010) or email: freedomsummer2014@gmail.com. We look forward to hearing from you.

Sincerely,

Firelight Films
