INSTRUCTIONS TO SCHOOL ADMINISTRATORS IN RE PAMPHLET DISTRIBUTED

In the event that the threat is carried out, all students that participate are considered absent without good reason and are considered to be contributing to a disturbance in and around the school.

This is in violation of school regulations and state law. Any student taking part in picketing the school or any other activity that will disturb or in any way interfere with the normal operation of the school will be automatically and indefinitely suspended from school.

This is an order of the County Board of Education. For pupils suspended to be reinstated, it will be necessary for the pupil with his parents or guardians to appear before the Board of Education and show good cause why pupil should be reinstated.
