Mr. Walter White, Secretary  
National Association for the Advancement of Colored People  
69 Fifth Avenue  
New York, New York

Dear Walter:

Just a word of remembrance and good hope that you are feeling fine.

Now I have been thinking about the Negro and national defense and have come to the conclusion that something drastic has got to be done to shake official Washington and the white industrialists and labor forces of America to the realization of the fact that Negroes mean business about getting their rights as American citizens under national defense. To this end I have decided to undertake the organization of a march of ten thousand Negroes or more upon Washington. When I come back East I want to talk with you about it.

I hope it may be convenient for you to join with me and a few other persons in the issuance of a call to the Negro people for such a march.

If we are able to mobilize Negroes on such a program it is certain to have a favorable effect upon your splendid plan to get the whole question of national defense and the Negro probed by the Senate.

It is my hope that we may be able to plan the march to take place either before or directly after the conference of the NAACP in Houston.

Cordially yours,

*Philip*
