**America is being
driven down the
road to Fascism!**

DON'T LET THEM SHUT YOU UP!

Don't let them destroy the Constitution!

Now is the time for all good Americans to come to the aid of their country.
Now is the time for all good Americans to come to the aid of their country.
Now is the time for all good Americans to come to the aid of their country.

People are being jailed for their beliefs.
The right to bail is being taken away.
Thought control is here.
Terror against the Negro people is increasing.

Hitler developed the blueprint:

First the jailing of Communists.
Then the smashing of the trade unions.
Next the terror against the Jewish people and other minorities.
Finally a black-out of all democratic rights and the plunging of the world into war.

We will keep on fighting to end Jimcrow and anti-Semitism.

We will work for a lasting peace.

We will fight for labor's rights.

We will fight for free speech for
Communists and minority political parties,
for by protecting their rights
we protect the rights of all Americans.

Support the Civil Rights Congress—
the organization that unites the people,
Negro and white, in the fight
to protect the civil and human rights
of the American people.

The hour is late—later than you think—but not too late!

This is your fight!

Money is urgently needed!

- to fight the Smith Act
- to maintain the right to bail
- to stop the destruction of the Bill of Rights in the persecution of the Communists
- to free Rosa Lee Ingram, the Trenton Two; to save Paul Washington and other lynch terror victims
- to defend William L. Patterson
- to defend trade union leader Harold Christoffel
