Dear Mr. Glenn:

Your letter of November 4th has been received, and we are very concerned about the situation you describe in the Mound Bayou area.

We have asked John Yungblut to visit you as soon as possible. I think he will try to get to Cleveland sometime within the next ten days.

John Yungblut is a member of our staff working in Louisiana and Mississippi. His address is 1608 Government Street, Baton Rouge, Louisiana.

After his visit with you, John will be reporting back to us to see if there might be any way we can be helpful.

Sincerely yours,

(Miss) Garnet Guild  
Executive Secretary
