Mr. Amos Glenn, President  
Farmers & Business Men's Association  
P.O. Box 814  
Cleveland, Mississippi

Dear Mr. Glenn;

I am writing for Mrs. Myrtle Nash, clerk of our meeting, who has asked me to be responsible for the collection & sorting of clothing here in Memphis.

The clothing that was requested has begun to come in, and we expect to have most, if not all, of it ready for you by next week. We understood from Mr. John Jungblut that you would help with the distribution of the clothing, as we have no meeting in that immediate area, and

that you would be able to send a truck up to Memphis to pick up the clothes. By saving on shipping costs, we can spend more money on shoes. Would it be possible for the things to be picked up next Saturday, Jan. 2? Please let me know if you will be able to assist in this way, or if we will need to make some other arrangements.

It certainly is good that you are interested in helping these people. We are happy to be of any possible assistance.

Sincerely,

Miss Patsy Hinds
