In the street confronta: that morality can
not be adjudicated or legislated solely.
That a moral crisis exists and must be
dealt with by the base of society.

Death - We love to live

Our attitude is no longer an asking, but
an assumption of rights, with which
"the opposition" will have to deal

If Joe Ann Christian's demand for a
seat in a better high school is
criminal, then she stands guilty as
charged in Albany, Ga, of delinquency
If a white police man's worth rests on
the existence of a lower black man,
we stand guilty as charged in Albany, Ga,
of attempted manslaughter.
If the values of our society are embodied
by George Wallace & Senator Talmadge,
we stand guilty as charged of
inciting insurrection.

The time of innocence is running out
and we must decide now if the
charges will stand.
