Education-8 years

I am John B. Amos. On or about March 30th, I was told by Mrs. Pauline Dabb, "Come back here I want my money tonight." I told her "I do not have any money." She then said, "You are able to go and register against us white people, you are able to pay me my money." After which she went back behind the counter and got a gun (a 38). She then said, "I am going to shoot you." While this was going on, my wife was being held at the door by her sister \_\_\_\_\_ Dabb, who was threatening her with a bottle. After my wife was ushered out of the store by her cousin and brother, \_\_\_\_\_ Dabb then told me, "I will knock both of your brains out. for registering to vote." At this time my buddy (a Negro employer) ushered me out of the store. Mrs. Pauline Dabb came out of the store with the gun in her hand. I met my wife on the sidewalk and we then went home.

I swear that the above information is true to the best of my knowledge.
