Dear Faith:

What's happening? Could you give me some information about:

- (1) D. E. Short's hearing, which we understand, began on Monday?
- (2) Agnew James losing his gas supplier because of his activities in the Lee County Movement?
- (3) If any of you SNCC will not pay for it plan to go to New York for the February 1 concert?
- (4) Who, if anyone, is expected to arrive there to work for the summer months.

Allright?

If the <u>Albany Herald</u> carried any news about the federal action against Short, or if you or anyone can furnish news about planned action against Cull Campbell - I've heard that its eminent - please let us know.

We're hot for news.

Many staringe things are going on here - not really strange - but humorous, which we shall all relate the next we meet.

Sincerely,

Horace Julian Bond SNCC

P? S? How many people - at the most crowded - will Kionia (you know what I mean) hold?
