MARCH ON WASHINGTON**

WEDNESDAY AUGUST 28, 1963

***America Faces a crisis...***

***Millions of Negroes are denied freedom...***

***Millions of citizens, black and white, are unemployed...***

Discrimination and economic deprivation plague the nation and rob all people, Negro and white, of dignity and self-respect. As long as black workers are disenfranchised, ill-housed, denied education and economically depressed, the fight of white workers for a decent life will fail.

Thus we call on all Americans to join us in Washington:

- ♦ to demand the passage of effective civil rights legislation which will guarantee to all
  - ... decent housing
  - ... access to all public accommodations
  - ... adequate and integrated education
  - ... the right to vote
- ♦ to prevent compromise or filibuster against such legislation
- ♦ to demand a federal massive works and training program that puts all unemployed workers, black and white, back to work
- ♦ to demand an FEP Act which bars discrimination by federal, state and municipal governments, by employers, by contractors, employment agencies and trade unions
- ♦ to demand a national minimum wage, which includes all workers, of not less than \$2.00 an hour.
