

Rudy -

The following volunteers are considering staying on in Mississippi after the summer: Margaret Benes (Community Center), Nancy Jervis (voter registration). If they stay, they'd need to be supported.

Johnnie Ruth VanBuren is still in high school, but would like to work with the Movement for the rest of the summer. She lives in Precinct 10. Joseph Williams, whom you already know, would like to be on permanent staff.

Nancy

To whom in Jackson should I send a copy of the weekly report?
