

CONFIDENTIAL...

TO THE NEGRO PEOPLE OF MADISON COUNTY:

Mr. C.O. Chinn and Theodis Hewitt have been put in jail, but the SELECTIVE BUYING CAMPAIGN IS STILL ON, and is stronger and more determined than ever.

A young Negro woman has allowed herself to be used by some white influence and has allowed herself to betray one of her own race who dared to take a stand for what is right. May God have mercy on her and on others like her who would put their foot on a black brother's neck in order to keep the white man slinging his billy clubs over our heads, pointing his pistols at our noses, and most of all, GROWING FAT ON OUR MONEY.

We are the ones who are poor, who do not have money. Some of us are starving. We are the ones who live in shacks. (In fact, the house that young Negro woman betrayer lives in is indeed a shack.)

As you have noticed, the Canton Police Department had found it necessary to escort Mr. C.O. Chinn daily. The police have celebrated Mr. Chinn as an important leader, when his only crime was not posing as a leader, but rather, joining in a movement which is fighting for the rights and dignity of every Negro citizen in Madison County.

Mr. Chinn and Mr. Hewitt are now in jail because of a misguided, ignorant, treacherous Negro Betrayer. The police force thinks that the Negro community is stupid. They think that we will stop this fight because these two men are in jail. But the imprisonment of these two men has alarmed and angered the Negro community. But their imprisonment has led to more support from the Negro community to our Selective Buying Campaign. The Negroes of Canton are becoming more informed about our campaign and our fight for human rights. Negroes are realizing more and more that the white man will do anything to keep the Negro poor and ignorant and scared so that he (the white man) can stay fat and powerful.

NEGROES:

The fight is on. Let us fight to the finish. Stay away from those 21 stores on the list. Do not buy Mosby's Milk, Hart's Bread, and Barq's Drinks. Pay your poll tax by February 1. Register to Vote.

FREEDOM NOW!
