Dear Howard:

Yes, we would like for you to talk and answer questions about national vs. local power during Saturday morning's session at the conference.

Jim Forman is going to do a paper entitled something like, "The Mississippi Plan and its Aftermath." So if the two of you will somehow split the 2 hours between 10:00 a.m. and noon on March 28, we'll be in good shape.....Thanks.

Hope you are feeling better.

P.S. I really don't think there will be room on the program for Mr. Llesman.
