Mr. Mendy Samstein
1017 Lynch Street
Jackson, Mississippi

Dear Mr. Samstein:

My daughter, Janet McNeill, a freshman at Oberlin College has asked that I send you a note of permission to work this summer under the auspices of the Council of Federated Organizations. Please consider this letter as my permission for her to do so.

I sincerely hope that this venture will be both effective in promoting justice and reconciling in racial and sectional relationships.

Sincerely,

Robert B. McNeill
