Dear Miss Becker:

Mr. Bleeker obviously gave you the wrong information. I am not interested in teaching at the Miss. Project this summer.

What I did convey to Mr. Bleeker is the fact that we have a batch of good elementary text books, Primer, First & Second Grade, which we no longer use and which we will be happy to donate for use either in Virginia or Miss. It will be necessary for you to arrange for pickup and shipment of same.

Should you be interested in having these books, I will be happy to hear from you.

Sincerely yours,

Hattie F. Charney  
Director
