Dear Norma:

I would like to express my grateful appreciation to you and Hal for the wonderful reception you gave me in New York last Tuesday night. I hardly expected such a warm surprise, but I must say it was a most enjoyable evening.

After the speech at Yeshiva on Wednesday, I spent the night with my brother and his wife at Mount Holly, New Jersey, and the following morning I left for East Lansing.

I told my wife about the enjoyable trip to New York, and she is looking forward to visiting with you and your family before you leave for Mississippi.

I lost Pearl Lucas' address and I promised her that I would send her an application to the Graduate School here at Michigan State University so I am instructing them to send one today to your care. If you would get in touch with her and forward the application to her, I would sincerely appreciate it. Also ask Pearl to be kind enough to drop me her address once again and I will treasure it in my permanent address book (that I have yet to lose!) here at my office.

Again, many thanks, Norma, and we would sincerely like to have you and the family visit us here in East Lansing. I shall look forward to seeing you soon.

Respectfully yours,

Bob
