

June 15th, 1964

Dear Norma,

Enclosed you will find, in treble quantity, the information requested last Saturday. I'm afraid the name I listed to be contacted in case of arrest on the application form will have to be changed as I've learned in the interim that she's pregnant and would not want to be responsible for any unnecessary upset. If you still have that form with you replace Patricia Eaton's name with Elizabeth Sullivan's and the other information listed here (address, Phone etc)

If you have no objection, the Co-Editor of Local 6 (Hotel and Club Employees Union) magazine: The Voice would like to attend our Press Conference on June 24th and run a story in their next issue. Because her father is Managing Editor of the Journal American, she can also insure the presence of one of their Reporters. I have my own problems - editorially speaking - with the J.A. but I feel certain that they will give an honest and possibly ^{even} sympathetic account of the project because of this personal involvement. I know how busy you are, so unless I hear from you to the contrary, I will plan on bringing these people with me on the 24th.

It would have been quicker and more sensible to contact you by phone, but I couldn't find a listing. See you next Wednesday...

Sincerely,

Sue Butler

P.S. I tried, unsuccessfully, to contact the people telephoning from UFT Headquarters this afternoon and will be unable to do so tomorrow or Wednesday. If Local 6 was not one of our "money contacts" make it one now! Contact Betty Bentz instead of Pres. Charlie Martin as she is in charge of this.

*I would have done so myself except that I had no way of knowing. Confused??
if they would be contacted there - wouldn't want that to happen. SB*
