Dear Mr. Moore:

This is to let you know that after long and careful consideration of all applicants, we have now filled the position of Mississippi rural field worker. As you may know, we were able to employ a young man who has had considerable experience and training in agriculture.

We surely appreciate your interest in this important work, and will keep your application on file in case similar job openings occur.

Please understand and forgive our delay in writing to you. Our program continues to expand in response to the great needs, and our very small staff has had more than it can handle.

Again, thank you for sending your application. We wish you every success in your endeavors.

Very truly yours,

MARTHA ANN SINGER
