Clinton Hopson (N)

Biloxi

Al Verson (W) 15

All students are supplied by the Law Students Civil Rights Research Council to COFO, whose Legal Co-ordinator assigns them. Arrests, affidavits, contacting FBI, and collecting evidence on voting discrimination are some areas the law students are responsible for. These students are to clerk for whatever lawyers are handling COFO cases in their areas, except that the indicated Jackson offices control the students assigned them. COFO will provide the over-all policy and direction for the entire summer project.

R. Hunter Morey
COFO Legal Co-ordinator
