TO: SUMMER VOLUNTEERS
FROM: JACKSON FDP STAFF

IN COOPERATION WITH THE WASHINGTON FDP OFFICE, WE WRE TRYING TO ESTABLISH
A CHAIN LETTER CAMPAIGN TO DELEGATES FROM VARIOUS STATES. PLEASE HELP!

It works this way:

- 1) Obtain a list of the names and addresses of the delegates from your state by writing the Secretary of State, Washington, D.C.
- 2) Write a letter to each delegate from your state. It is best to write them by hand, but this isn't crucial. The letter need not be lengthy. You can indicate you are on the summerproject and are seeing the formation of the Party. Then you can simply add a sentence urging them to vote for the ouster of the dixiecratic delegation. Sign your name and address.
- 3) Write or contact 10 of your friends asking them to write to the delegates and to find 10 more people who will write.
- 4) Make use of the support which has already been declared for the MFDP-- such as resolutions or individuals who have come out publicly for seating.
- 5) You may also want to direct letters and ask your friends to direct letters to key politicians in your state. These include the governor and senator if they are Democrats, the Democratic State Chairman, mayors of big cities (like Wagner, Daly), the National Committeeman and Committeewoman.
- 6) Suggest your friends set up tables and booths at shopping centers, movie theatres, college campuses, where people can write and send a letter or postcard. These people should be asked to contact ten friends also.
