Gentlemen:

I am writing in regard to the July 16 article, "A Recollection of Michael Schwerner" which describes his work at the Meridian Community Center. This was a very fine article and one which we feel can be helpful in interpreting our work to people who might be encouraged to contribute to the building and operation of other centers across the state.

If possible, we would appreciate your sending us as many reprints of the article as possible (200-300). If this is impossible, let me know whatever requirements or under what terms we can secure copies.

Very truly yours,

(Miss) Annell Ponder, Coordinator
COFO Community Centers
