Miss Jewell L. Gresham
Great Neck Committee for Human Rights
24 Gilchrist Road
Great Neck, New York

Dear Miss Gresham:

Thank you for your recent letter.

It is perfectly all right to send supplies directly to individual centers. I'm visiting Greenwood at the present and they need a portable sewing machine, a slide projector, a volley ball and net, some baseballs and bats as well as \$100 cash for smaller articles and other supplies.

Materials should be sent to Monroe Sharpe, community center staff spokesman.

Thank you for your interest and support.

Sincerely,

Miss Annell Ponder
Coordinator, COFO Community Centers

P.S. Canton, Batesville, Meridian, and Vicksburg Centers also need supplies badly. Greenville needs a movie projector very badly.
