Philadelphia 19, Pa.

Dear Mr. Levine:

Mr. Forman has turned over your letter of July 5 to me.

It was very good to hear from you and to know of the interest of social workers in the Mississippi Summer Project.

It would be great if you could adopt a center, and we have just the perfect site in mind. Only yesterday two professional workers one of whom is a medical social worker went into Cleveland, Mississippi to start a center there. (I am sending them a copy of your letter.) They will be starting from scratch and will need all of the items on the enclosed sheets.

Thank you for your concern and interest. You can be sure that we will refer individual and program problems to you.

The staff members at the center are Mrs. Dorothy Hughes and Katherine B. Hollie and they can be reached at 614 Church Street, Cleveland, Mississippi, c/o Mrs. Lois Rodgers. The telephone number is VI3-9334.

Sincerely,

Miss Annell Ponder, A.C.S.W.  
Coordinator, COFO Community Centers
