

The Steering Committee of the PEMC met Sat. aft. Aug. 1, 1964 at the office of Mrs. Martha Hard.

at the office of Mrs. Martha Hard. Mr. Robert Hunn presided.

Communications were read. After reading a letter from the Parents group from San Francisco (they were not in favor of a Parents trip to Mississippi), the committee then discussed the pros and cons of this idea, and followed up with a direct phone call to Robert Moses, chairman of COFO. Mr. Moses reaction was positive. The committee then decided to present this idea to other Parents groups throughout the United States. It was felt that if there were at least ten representatives from different states or areas, a token trip could be fulfilled.

By common consent the committee decided to authorize Congressman Phil Burton, and Don Edwards to represent our Parents group at the Democratic Convention. Letter were to be sent.

Mr. Richard Wilson announced that there has been a delay in distributing the 4th of July Petitions to Congress. Necessary money and rubber stamp were immediately mailed to the Human Relations Committee to complete the project.

A motion was made and seconded that moneys recieved from the partys of Aug. 1st week-end should be deposited in the Parents Mississippi Emergency Committee's operating fund, and then dispersed. A committee was appointed, Adele Siegel and Richard Wilson, to present an informal budget at the next meeting, and after that money allocated.

Although the committee felt that the Parents maintain their identity after the students return, the name of the group would have to be changed, bail fund money returned which was sent to COFO, and other funds transferred to the group. Robert Hunn, Judy Newman and Richard Wilson were appointed to draft a resolution that would be presented to prepare a Statement of Purpose of the present Committee. transferred with the group Purpose

A committee was appointed, Robert Hunn, Martha Hard, Judy Newman, and Richard Wilson, to draft a resolution that would be presented to the Credentials Committee one week before the Convention, as well as all the California delegates.

By common consent the committee recommended that the L.A. area Parents group ask the northern California Parents group to send delegates to the official Democratic Convention in Sacramento.

The meeting concluded with the suggestion of an Interfaith Public Meeting when the students return, at which time, prayers would be said for the missing three Civil Rights Workers, the safe return of our sons and daughters, and for the continued safety of those who will stay and continue the work of the "Summer Project". Betty Wilson will be in charge of the program.

Meeting adjourned at 5 P.M.

Respectfully submitted
Adele Siegel, Sec. Pro tem.
