 (Projects listed include surrounding areas.)

1. All of the forms sent in to the Jackson office must be alphabetized. Two people in the Jackson office (Karen and Dona) cannot alphabetize all of the forms from all of the projects.
2. At the staff meeting on Friday we will have an opportunity to plan Freedom Registration days, so that from Aug. 7th to Aug. 17th we can put our energies into bringing up the very low total that we have.
3. forms that come in to Jackson should also be counted and have the count written somewhere on the outside of the bundle.
