

1964      PLATFORM  
MISSISSIPPI FREEDOM SCHOOL CONVENTION

(adopted August 6, 7 and 8 at

EDUCATION

In an age where machines are rapidly replacing manual labor, job opportunities and economic security increasingly require higher levels of education. We therefore demand:

9. Titles should be given to the staff.
10. The federal government should help the organization pay the salaries of workers.
11. All patients should be addressed properly.
12. We actively seek the abolition of any sterilization act which serves as punishment, voluntary or involuntary, for any offense.
13. In a reasonable time we seek the establishment of a center for the treatment and care of cerebral palsy victims.

FOREIGN AFFAIRS

1. The United States should stop supporting dictatorships in other countries and should support that government which the majority of the people want.
2. Whereas the policy of apartheid in the Republic of South Africa is detrimental to all the people of that country and against the concepts of equality and justice, we ask that the United States impose economic sanctions in order to end this policy.
3. We ask that there be an equitable balance between the domestic and foreign economic and social support provided by our country.

CIVIL LIBERTIES

1. Citizens of Mississippi should be entitled to employ out-of-state lawyers.
2. Section 2 of the Fourteenth Amendment should be enforced, specifically in Mississippi and other Southern states, until the voter registration practices are changed.
3. Citizens should have the privilege of exercising their Constitutional rights:
  - a) to assemble
  - b) to petition
  - c) to freedom of the press
  - d) to freedom of speechin such ways as picketing, passing out leaflets and demonstrations. We oppose all laws that deprive citizens of the above rights.

5. We resolve that the Freedom Movement should accept people regardless of religion, race, political views, or national origin if they comply with the rules of the movement.

LAW ENFORCEMENT

1. We want qualified Negroes appointed to the police force in large numbers. We want them to be able to arrest anyone breaking the law, regardless of race, creed or color.
2. Police must possess warrants when they demand to enter a house and search the premises. In the absence of a search warrant, the police must give a reasonable explanation of what they are looking for. In any case, with or without a warrant, no damage should be done unnecessarily to property, and if damage is done, it should be paid for.
3. A national committee should be set up to check police procedures, to insure the safety of people in jail: their food, sleeping and health facilities; to protect them from mobs, and see that no violence is done to them.
4. All cases against law enforcement agencies or involving civil rights should be tried in federal courts.

4. We want guards posted at ballot boxes during counting of votes.
5. The minimum age for voting be lowered to 18 years.
6. We seek for legislation to require the county registrar or one of his deputies to keep the voter registration books open five days a week except during holidays, and open noon hours and early evening so that they would be accessible to day workers. Registrars should be required by law to treat all people seeking to register equally.

DIRECT ACTION

1. To support Ruleville, we call for a state wide school demonstration, urging teachers to vote, and asking for better, and integrated, schools.
2. We support non-violence, picketing and demonstrations.

2. We demand new and better recreation facilities for all.
3. We support the right of the Negro people and their white supporters to test the Civil Rights Act via demonstrations such as sit-ins. We are not urging a blood-bath through this means; we are simply demanding our Constitutional right to public assembly and seeking to test the Federal government's position.
4. Conversion of public accommodations into private clubs should be treated as a violation of the Civil Rights Act of 1964.

HOUSING

The home, being the center of a child's life as well as the center of a family's, must have certain facilities in order for it to be a home and not just a building in which one eats, sleeps, and prepares to leave for the rest of the day. Therefore, be it resolved:

6. That federal aid be given for the improvement of houses, with long term, low interest loans.
7. That the Federal government provide money for new housing developments in the state. Anyone could buy these houses with a down payment and low monthly rate. There must be absolutely no discrimination. The Federal government should take action if this law is not complied with.
8. That a federal law make sure that the projects are integrated and that they are run fairly.
9. That there be lower taxes on improvements in the houses so that more people will fix up their homes.

2. Because of discrimination in the past, we demand preferential treatment for the Negro in the granting of federal aid in education and training programs until integration is accomplished.
3. To help fight unemployment, we demand that federal funds be lent communities to set up industries and whole towns which shall be publicly owned by the communities. For example: textile and paper mills, stores, schools, job relocation programs for those put out of work by automation, job retraining centers, recreational facilities, banks hospitals.
4. We demand that social security benefits should be given according to need, and not according to how much one earned previously. In addition, we demand a guaranteed income of at least \$3,000.00 annually for every citizen.
5. The federal government should give aid to students who wish to study for the professions and who do not have the necessary funds.
6. We feel that federal aid in Mississippi is not being distributed equally among the people. Therefore we adopt Title VI of the Civil Rights Law which deals with federal aid. We demand federal agents appointed to Mississippi expressly for this purpose. We demand that action be taken against the state of Mississippi so that this aid may be distributed fairly.
