PROGRAM: Volunteer students who have returned to Southern California are invited to join the Parents and share ideas about "Summer Project" and "The Mississippi Project".

PUBLICITY: Nine volunteers of the Mississippi "Summer Project" participated in a Press Conference at the Los Angeles Press Club, Monday, August 24th. Although much of the TV coverage was lost to the Democratic National Convention, radio and newspapers found time and space to relate the views of the group. The participants included Betty Carstens, Jimmy Garrett, Duz Graham, Gene Hann, Bob Newbery, Fran O'Brien, Margaret Rose, Sandy Siegel, and Chris Wilson.

OTHER VOLUNTEERS: Other students who have returned to the Los Angeles Area are Candy Brown, David Gabel, Marc Weiss and Ed Wilson Jr. The rest of the volunteers have either gone to the Democratic National Convention in Atlantic City, returned to their respective colleges, or are completing their "Summer Project" activities in Mississippi. There are also some volunteers who are staying in Mississippi and continuing their work in "The Mississippi Project".

WELCOME HOME to all volunteers. Please contact Mrs. Betty Wilson, EX 5-2590, in regards to Homecoming Party at the International Student Center, 1023 Hilgard, Westwood, September 2nd, 8-11p.m. if you haven't already done so, concerning your participation in this program.
