PLEASE:

1. Notify Dona Moses or Karen Pate if any of this information is incorrect.
2. When completed forms are sent to Jackson, have them grouped by letters for each county - does not have to be alphabetical within each letter, just all As together, etc.
3. Have a report ready each Sunday when we call.
4. Have a Freedom Registration Day - we need 200,000 completed forms by the end of August, and now have less than 35,000.
