Please accept our deepest thanks and appreciation for your contribution to the UFT's Mississippi Freedom School Project.

The numerous expressions of support, such as yours, reflect a widespread awareness and concern about the deplorable conditions existing in that state. The realization that others care, is a source of encouragement to those people in Mississippi who are struggling to secure basic human rights in the face of brutal intimidation and injustice.

With your help, the teachers who are volunteering their time and skills can help compensate for the enormous educational deficiencies inherent in Mississippi's school system.

Thank you again,

Sincerely,
Norma Becker

You may have received this letter in June, I hope so.
