PLEASE WRITE A BRIEF STATEMENT IN YOUR OWN HANDWRITING ON WHY YOU WANT TO WORK WITH SNCC. USE THE BACK OF THIS SHEET FOR ADDITIONAL SPACE.

There are numerous reasons for my interest in working in Arkansas. First, San Diego SNCC has decided that one of its leaders should go South this summer. This will serve several purposes: (1) fund raising, (2) publicity, (3) a more prominent scene of urgency. I have a "name" in San Diego and therefore am the candidate.

Another reason is that I have not been in the South for a year. I am beginning to lose contact with the problem.

I feel that I can be of help to the Arkansas project. When I came to San Diego, SNCC was never heard of. Now we are the most prominent group. I worked almost alone for 6 months, but I now have a "staff" from every local campus and level of the society. I have had training from SNCC organizers. I am ~~thorough~~ completely aware of the problems and dangers; I have been jailed and beaten and know these techniques of non-violence.

The reasons I work for SNCC are numerous. Basically, however, I feel that our approach of a long-range community organizational and development drive is the best approach offered. I believe also that a truly militant stand will be the only way that our freedom can be won.

I might also add that I do have the ability for public speaking. I give from 2 to 3 speeches a week in San Diego and have won awards in competition.
