TO: FRIENDS OF SNCC
RE: STREETS OF GREENWOOD

We are able to purchase up to 15 prints of the Streets of Greenwood -- a 20 minute film about SNCC activities in Greenwood. The film itself can be used for fund-raising or for educational programs in your community.

Within about five days we want to place an order with Brandon films, the distributor, for at least 6 prints. (We will purchase the other 9 once we have the funds). We will be paying for 2 prints from this office and hope that 4 other office will make their orders NOW. Please send a check for \$106.25 MADE PAYABLE TO: BRANDON FILMS, INC. to me, in Atlanta, by Monday, Feb. 8, if possible. I will then forward the \$\$ and the addresses to Brandon from where the films will be shipped.

Also note the enclosure about A Dream Deferred. Additional copies of the flyer may be obtained by writing SF SNCC office and, as well, you might adapt some of the material in the flyer for a flyer to be used locally advertising the availability of the film for showings.

Let me know IMMEDIATELY about Streets of Greenwood....
