TURNED DOWN AGAIN! IN KANSAS CITY

Molvin Whitfield of Columbus, Prosidont of the YOUNG DEMOCRATIC CLUBS OF MISSISSIPPI, lod our delegation to Kansas City in the second attempt to got a charter. Just like in Atlantic City last August, we were denied. However, just as the Freedon Denocratic Party doos not give up when it doesn't immediately win, we must carry on the struggle. The ma Eubanks of McComb, National Committeewomen; Dolmas Hondorson of Columbus, Secortary; Roscoo Jones of Moridian, Vico-National Connittooman; Joyco Brown of McComb; and Huntor Morcy of Jackson wont with Mr. Whitfield to present our case: On August 9, 1964, at the Baptist Scrinary in Mordian, a state convention of over 300 people elected officers, ratified a Constitution, and passed resolutions. Official delegates were sent to Atlantic City, but were demied a charter primarily on the grounds that no cortification was obtained from state senior party officials. However, the Mississippi Regular Domocrats not only don't want to soo a civil rights oriented, heavy Nogro momborship, group got established, but they also did not support LEJ's and Humphroy's campaign. That is supposed to waive the certification requirement, which we nevertheless have tried to moot. In our favor, the Policy Committoe of the College Young Domocrats unanimously supported us, and the National Committee passed a resolution praising the courage of the civil rights workers in Mississippi, still we didn't get a charter. The next development was that Mr. Spencer Oliver of Maryland, was made Chairman of the Membership Practices Committee, and decided to investigate the Mississippi situation. Without asking our Prosident, Mr. Whitfield, where and who should come to a moeting, Mr. Oliver set one up at the Mississippi AFL-CIO offico, including Nr. Claudo Ranscy, state AFL-CIO head; Mr. Charles Evors, state NSSCP Field Secretary; Mr. Robort Oswald, Chairman of the Jackson County Rogular Domocratic Party and former state president of the Young Domocrats (which was an all white group); Professor Truss and Mr. Ransom Jones and others from 'Ol Miss.; Mr. Jack Soxton and Mr. Sponcor Oliver from the YDCA Membership Practices Committee; and our delegation with Mr. Whitfield. Mr. Oliver pledged that he

CORE'S JAMES FARMER SUPPORTS US

"I am acquainted with the YOUNG DEMO-CRATIC CLUBS OF MISSISSIPPI, which is an organized, integrated, anti-racist organization of young domocrats in tho state of Mississippi. I strongly boliovo that their seating as the official roprosontativos of Mississippi would stringthon the possibilities of making the Democratic Party on even greater expression of the desires of men and women of good wiel to create a great society in our land. I therefore un-oquivocally urgo that the YOUNG DEMO-CRATIC CLUBS OF MISSISSIPPI be seated as the official representatives from that stato." - April 10, 1965

COMMENTS FROM MELVIN WHITFIELD

Why should Mississippi Nogro or white youths join the YOUNG DEMOCRATIC CLUBS OF MISSISSIPPI? "I bolieve that our main purpose is to be informative and to holp people begin to think politicaly. What are we in this society, what is our function, how are we able to express ourselves in our government, and how are we able to demand a redress of griovancos? It is mandatory that people be informed of the issues of today and be able to make wise decisions that will be beneficial. We believe that the dollar bill should not be able to toll people how to vote and who to voto for. Instead, it should be the issues and how they will involve an individual." What are your views concorning the regular Democratic Party? "We believe it is corrupt. It has cripplod poople into thinking one way, into having a one party state. We believe that not only should the Negroes be free, but the whites too, ... they are kept in a prison too, whether they realize it or not. We will be an independant organization from the state Domocratic Party."

HINDS COUNTY ORGANIZES!

An organizational meeting of the YOUNG DEMOCRATIC CLUB OF HINDS COUNTY is planned for Saturday, April 24, 1 pm at Tougaloo College, just outside of Jackson. People have expressed interest from Mississippi, Milsaps, and Tougaloo colleges.

FIP SUPPORTS OUR FIGHT

would fight to deny Mr. Whitfield's group a charter, Mr. Sexton focused on obtaining information, and all the others except our delogation argued against our socking a chartor. Mr. Oswald in particular made the point that he thought that white people would not want to come into a group which was primarily Nogro. Our position was that race was the one issue which had to be squarely and honestly faced up to if any progress was to come to Mississippi. If white people will not join the Young Domocrats because Negroes have taken a loading role in organizing for national politics in Mississippi, that just proves the fact that most white people in Mississippi truly do not believe in national politics, but rather in racism. Mr. Evers argued against our seeking a charter, making the point that it was great that a group of southern whites wanted to work with us. Mr. Whitfield then suggested having another mooting to be held that following Wednesday at the Lynch St., Masonic Tomple. The other people criticized this as "moving too fast". So Mr. Whitfield then invited the "Ol Miss. students to sond a representative along with us to the up-coming Kansas City moeting. They refused, saying that we should wait until the National Convention this fall. However, not only the '01 Miss. group (including Mr. Cleveland Donald), but Mr. Evers, Mr. Ramsey, and Mr. Oswald all appeared at Kansas City and explicitly asked the body to dony us our charter, even though they were not applying for one (they couldn't, they did not even protond to have any state-wide group as required), and even though they did not maintain that our application was not in order. do not understand how such tactics are showing a policy of "working togothor". Nevertheless, the YOUNG DEMOCRATIC CLUBS OF MISSISSIPPI roaffirm our policy of inviting all people to join in with us.

And so, after almost deciding not to allow us a chance to speak before the Kansas City meeting, the YDCA National Committee voted first against a compromise proposal and then in favor of Mr. Oliver's committee's report

to not give us a charter.

Now your delogation has returned home plodged to carry on the fight so that we will get our charter in New York, at the National YDCA Convention in October. This fight depends on your work in building strong local clubs. Write your state office for materials: YOUNG DEMOCRATIC CLUBS OF MISSISSIPPI, P. O. Box 2251, Jackson, Mississippi.

Lawronco Guyot, Chairman, April 10, 1965: "Tho Mississippi Froodom Domocratic Party has looked with great hope and pleasure upon the progress of YOUNG DEMOCRATIC CLUBS OF MISSISSIPPI. Wo rogard their emergance as another heartoning indication of the beginnings of truly domocratic and racoloss capital domocratic political activity in Mississippi. We urgo that you welcome the dologation headed by Molvin Whitfield into your convention as brother Domocrats and that you extend the charter to thom. We urge this very stronly although we are not officially affiliated with the group. Because we consider them to embedy the hope of truly oncouragoing political possibilitios for the future moral and political strongth of the Domocratic Party in Mississippi."

EXECUTIVE SECRETARY APPOINTED

State Young Democratic President Melvin Whitfield has appointed R. Hunter Morey of Jackson to be Executive Secretary of the organization. His job will be to assist in setting up a state office, maintaining correspondence, and being of service to the clubs and members. Send him report, membership lists, etc. P. O. WE NEED MONEY!

If you believe in bringing democracy into Mississippi, send us some money. While the 'Ol Miss. group took a plane to Kansas City, we had to go by bus and a cramped car. We need funds for office space, filing cabinet, paper, postage, transportation, and the like. There is no chartered Young Democrats in Mississippi now. If you would like to see one, it takes money. Make out your checks to YOUNG DEMOCRATIC CLUBS OF MISSISSIPPI, P. O. Box 2251, Jackson, Miss.
