Dear Alicia,

Buddy Teiger said that he was not receiving any money. He is here working in the Research Dept and is married. What about giving him to Karen Koonan's sponsor. Buddy is married and really needs the bread. You had his name on the list in your letter and it would be OK for you to have \$20.00 per week sent to him since both of them work very, very hard. ~~very hard.~~

I have written to Billy Brooks and Bruce Maxwell but haven't heard anything from them.

Larry Brenton of Greenville is being supported by no one that I know of, so I will ask Ruby Doris about him. The policy now is that each volunteer has to be approved by her which is fine with me.

See you next week.

Margaret
