MEMO TO FRIENDS OF SNCC

Re: Washington Lobby

May 27, 1965

There is room for many more students to come to the Washington Lobby June 13-23 and June 24-July 4th. Some 150 people will be recruited by the FDP for work in Mississippi during the summer on FDP projects.

Lobbyists should expect to pay at least \$25.00 for room and board and should report to the

St. Cyprin's Church
1342 T Street, SE
Washington, DC

for housing assignments. They will stay in homes in the community, and will be eating in a church cafeteria--2 meals a day.

Dress for the lobbyists should be shirts and slacks for men, afternoon dresses for the ladies.

Please send applications to Ruth Howard in the Atlanta SNCC office as soon as possible.
