

CORE Summer Project Orientation  
Political Awareness Workshop

Questions For Discussion

1. What is political?
2. What does awareness involve?
3. How is this "political awareness" related to the over-all problem that CORE is attempting to combat in the South?

"Problems"

- a. overt & invert discrimination against Negroes in basic institutions (i.e.) education employment, politics, etc.
  - b. psychological "hang-ups" of inequality
4. As a summer volunteer do I have a responsibility toward a "Political structure"?
