Dear Ken and Lucy:

We visited at Kalamazoo College last week. While we were there, we saw Edie and Lora and a host of other friends. Edie and Lora were still full of the experience they had at your place.

Ora and I both want to thank you for your hospitality to them and for the love and concern you showed. We thought of you particularly during the days of your son's wedding.

Myles has just returned from Mississippi with a commitment from Amzie Moore to develop an educational program in Cleveland, Mississippi. He also talked with Willie Peacock about carrying on the kind of program Guy Carawan was developing. These are the first indigenous people with whom we have explored program possibilities, and we are looking forward with a bit of excitement to what develops there.

Thank you, Lucy, for the lovely letter and the check as repayment to Joyce and myself. We are all looking forward to having you back at Highlander again in the near future.

Sincerely yours,

C. Conrad Browne
