

TELEPHONE REPORT FROM BARBOUR CO., ALA. SCOPE, 7/29/65

Scott Chambers called about 4:45 P.M. to report that three SCOPE volunteers had been arrested in Clayton for "operating in Alabama too long without a permit." They are in the Clayton City Jail.

Names of those arrested: Larry Butler - Director of SCOPE chapt.  
Dick Hutch  
Michael Laupheiner

Chambers believes they were taken into custody at the Methodist Church in Clayton. He does not know what bail has been set. He can be reached at 205-687-3128.

Additional information: Chambers says that SCOPE volunteers and local citizens who have been working with SCOPE have been harrassed quite a bit in Clayton lately. Yesterday, they were in downtown Clayton and a white man ripped the window out of their car and ripped the driver's shirt, then followed them down the street cussing and punching at the air.
