TO: \_\_\_\_\_

FROM: Program Department, Atlanta

Because many of the fellows in SNCC have had draft problems, we have invited Mr. Mike Standard, one of SNCC's counselors on this and other problems, to come to Atlanta. He will meet with us on general arms-services situations at 3 PM Saturday, August 14th. For those of you who have special draft problems, \* he will meet with you on Sunday, August 15th at 9 AM.

Please, if you can not come, send a representative from your state project. WE THINK THAT THIS IS IMPORTANT ENOUGH FOR YOU TO BE PRESENT.

Thank you.

Yours for Freedom

\* Do not bring huge numbers of people with you, just those who have pressing problems.
