## FREEDOM RALLY!

Friday August 6  
7 p.m. 14th District Bldg

The mayor has indicated that he will not act on our petition in good time. He has shown no sign of wishing to comply with the spirit of our demands. Now we must let him see that we are determined to win our freedom:

### WILL WE MARCH FOR FREEDOM SATURDAY

YOU must come Friday to  
decide.

### JAMES FARMER

national director of CORE,  
is coming to Minden Friday.  
He believes that we are ready  
for freedom; we must not  
let him down.
