Dear Miss Bankhead

Today, we paid the freight on the 235 cartons of miscellaneous clothing, supplies etc shipped from here on Aug 3, 1965. *VIA GORDON'S TRANSPORT*

We would like to know if you received the goods, and if you have any suggestions for future reference.

You'll note that we used a shipping label from our "company" so as to avoid any "hang ups" in the shipping this stuff to you.

Best to you,

Hal Light.

P.S. You know my son, William Light in Starkville?
