RE: EXECUTIVE COMMITTEE MEETING

As you might remember from the last meeting, most people were very vocal about meeting away from a project area (see memo 9/19/65). I am sorry we're so late in informing you on the whereabouts of this October meeting.

It will be held at Highlander School (1625 Riverside Drive, Knoxville, Tennessee) on NEXT weekend (October 8th to the 12th).

We must be out of Highlander by 11 AM Monday morning.

People must arrive by 12 PM Friday, October 8th. THERE ARE NO PREPARATIONS MADE FOR MORE THAN 28 people -- some folks were requested to be present by decisions made at the last meeting.

The only real rule at Highlander is that there is to be absolutely NO ALCOHOLIC beverages on their grounds -- a word to the wise.

Travel to Highlander by car (and 99% of the committee can come this way) will be repaid. ANY PERSONS WHO MUST COME BY OTHER MODES, PLEASE INFORM US BEFORE YOU ARRIVE SO WE CAN MAKE PLANS. The average reimbursement will be \$10-15 and those who drive are expected to bring FULL cars (of the members, of course).

See you at Highlander.
