Attention: Mr. C. Conrad Brown

Dear Sir:

Please accept my apology for not having written you sooner, but I have been out of the office since the SNCC Executive Committee Meeting.

We wish to thank you for making the facilities of Highlander available to us. I hope that at some point in the near future, we may be able to come to Highlander again. Those who attended the meeting felt that it was the best one the committee ever had...

Thank you so much for everything.

...In Freedom,

P. S. Kindly send us a receipt for \$150.00 (cost of the meeting) for our records.
