Memo to Friends of SNCC

Dear Friend:

I need your help.

I've been given the task of setting up a tour for the Freedom Singers. The tour will start in Canada and they'll be there from January to February. Then we'd like to move into the Midwest during the months of March through May. The only date not available during that time is March 20th.

Is it possible for you to set up concerts for the Freedom Singers or any type of fund-raising event during these months?

If so, please contact me in the Atlanta SNCC office. Also send a schedule for when you would like to have them in your city.

An immediate reply would be much appreciated. If you are not interested, I would still like to hear from you. In this way I would know what areas to work with on this.
Peace and Freedom,

Reggie
