

KEEP POWER in YOUR HANDS

The voters in a county now have the right to decide if they want to join with another county - and become just one county instead of two. (This is called "county consolidation.")

BUT - This right could be taken away

UNLESS YOU

VOTE AGAINST the Amendment to Consolidate counties on November 8th, 1966.

The Mississippi Legislature has passed a law to say that the Legislature - not the voters - should decide what counties will be put together.

Keep Power IN YOUR HANDS

On November 8, 1966 ballot there is going to be a referendum which asks the voters of the state to allow the State Auditor of Public Accounts to succeed himself. Right now, the law says that the State Auditor can only run once (a 4 year term) and then he must wait 4 years before he can run again for the same office.

Hamp King is now the State Auditor of Public Accounts.

The State Auditor of Public Accounts checks the books of officials to see they have spent the money legally. He has a lot of Power.

IF, he can run for the same office over and over again, he will keep getting more and more powerful.

Should ONE MAN HAVE So Much POWER?

Right now, the Governor and the Sheriff cannot follow themselves in office. If we allow the State Auditor to keep running for the same office then soon we will find that the Governor and the Sheriff will also be able to do the same.

VOTE AGAINST THIS AMENDMENT ON NOVEMBER 8th.

IT IS AN ILLEGAL AMENDMENT WHICH IF PASSED IS A CRIME AGAINST THE PEOPLE OF MISSISSIPPI.

Vote " NO " on Amendment to Section 134 of the Constitution.
